**Site plan**

Please indicate the following

- a) Location of well/cistern and any sloughs or water ways.
- b) Location of all buildings/proposed buildings, improvements, property lines etc.

**Conditions**

1 **Act**

The issuance of a Permit shall not prevent a Safety Codes Officer from issuing a correction notice if a private sewage disposal system or part thereof is found not to be in accordance with the Safety Codes Act or the regulations and bylaws.

2 **Deviation**

No deviation from the plans, specifications or information contained on the application for this Permit shall be permitted without prior written authorization from the Safety Codes Officer.

3 **Location of utilities**

Before excavation is started, check for the location of utilities.

4 **Authorized Persons**

The work authorized by this Permit may be performed only by a person having qualifications of a certified installer, or a journeyman plumber.

5 **Expiry**

This Permit expires one year from the date of issue.

6 **Inspection**

The person authorized to perform a plumbing installation by this Permit shall notify the Safety Codes Officer prior to backfill or cover-up of any plumbing and arrange for an inspection by calling 780-464-8169.

7 **Admission**

The Safety Codes Officer shall not be refused admission during any reasonable hours of the day for the purposes of a plumbing inspection.

8 **Important notice**

If any part of the plumbing system is covered prior to inspection and approval the Safety Codes Officer may request that all work be uncovered.

9 **Re-inspection**

Any required re-inspection shall be subject to a re-inspection fee, as per the current fee schedule. This fee is required to be paid before to the re-inspection takes place.

10 **Offence**

Any person who commits a breach of any of the provisions of the Safety Code Act, or regulations made pursuant thereto, or of the conditions of a Permit, is guilty of an offence under the Act.

11 **Approval**

Neither the examination of plans and specifications nor the issuance of a permit shall be construed to be an approval of any installation made or done in contravention of any provision(s) of a bylaw, an agreement or the Safety Codes Act or regulations. Satisfactory inspections are required for final approval.
