Message from Mayor Rod Frank

The wait is over! After much anticipation, Strathcona County is thrilled to launch our new program registration system, Recreation Online. This upcoming session will be the first time residents will register for our recreation and culture programs using this brand new system. My own family regularly uses the County's recreation program offerings, and I look forward to using the updated system.

Remember to take some time before registration opens to set up your Recreation Online account and get familiar with it. Recreation Online features the ability for you to create your account using your email address instead of a pin, improved searching capabilities, and a mobile friendly experience. You can visit strathcona.ca/RecOnline for more information and instructions on how to set up your account.

In this guide you will find many ways to get out and get active in our community throughout the spring and summer. Whether you are interested in getting in touch with your creative side, or learning a new skill like orienteering, this guide has a program for you. Explore the pages and try something new!

Sincerely,

Rod
