Messages:

In June, over 140 tonnes of organics collected had to be sent to the landfill because of contamination. That is 16 truck loads in 30 days! Let's work together as a community to reduce our waste. Make sure to only put organics material in the green cart. www.strathcona.ca/utilities

*eBill option, Utility rate information, Waste collection schedules & Auto payment forms: www.strathcona.ca
Sewer back up? 780-467-7785
The average monthly residential water consumption is 18.5 cubic meters.
