This application is:  APPROVED subject to the following conditions  REFUSED

1. The applicant must contact all other utility companies.
2. This permit is limited to Strathcona County corporate limits only.
3. This permit must be carried in the vehicle(s) affected.
4. The applicant agrees to pay all damages caused to any highway or road infrastructure or surface as a result of this move.
5. The applicant agrees to indemnify Strathcona County from any loss or damage that may arise from the moving of the said load of vehicle(s).
6. This permit is valid for the date of the move only.
7. The height and width dimensions shown on this permit are subject to available structure and utility clearance. This permit does not relieve the operator's responsibility to ensure there is adequate clearance prior to proceeding under or through a structure.
8. \*The applicant must obtain special duty request form for Enforcement Services if Police Escort is required.
