
Road Salt Management Plan

Policy Statement

Strathcona County will take actions necessary to manage road salts in a manner that protects the environment without compromising road safety.

Guidelines

1. To meet the objectives of this Policy, Strathcona County will:
 - a) manage road salts in accordance with the Environment Canada *Code of Practice for the Environmental Management of Road Salts*;
 - b) comply with applicable laws and regulations;
 - c) proactively provide information to employees and the public about the environment practices related to road salts;
 - d) adopt internal standards to meet or exceed regulatory requirements; and
 - e) conduct regular management reviews and make improvements wherever feasible.

2. The County will create a Salt Management Plan
 - a) The Salt Management Plan will cover the use, storage and disposal of salt in the winter maintenance activities of Strathcona County.

 - b) The Salt Management Plan will be reviewed regularly to ensure that the integrity of the Salt Management Plan is maintained when changes are planned and implemented.
