2. Reporting of Councillor Expenses

Providing routine disclosure of information on expenses incurred by County officials enhances public confidence in the oversight of expenses incurred by those in office. For this reason, the Mayor and Councillors provide expense reports on a quarterly basis that highlight spending. The reports organize expenses according to four main categories and are published on Strathcona County's public website.

3. Reporting of Council Activities

As provided in the *Priorities Committee Bylaw*, the Mayor and Councillors may also provide reports for information purposes on recent activities of interest to the Priorities Committee. These reports can be on matters related to a ward or to the municipality as a whole. Further, Councillors also prepare reports on the activities of boards and committees to which they have been appointed by Council at least once per year. These reports will be included as information items in the Priorities Committee agenda packages.
