## AREA PROJECT

NEWSLETTER #3 September 2018

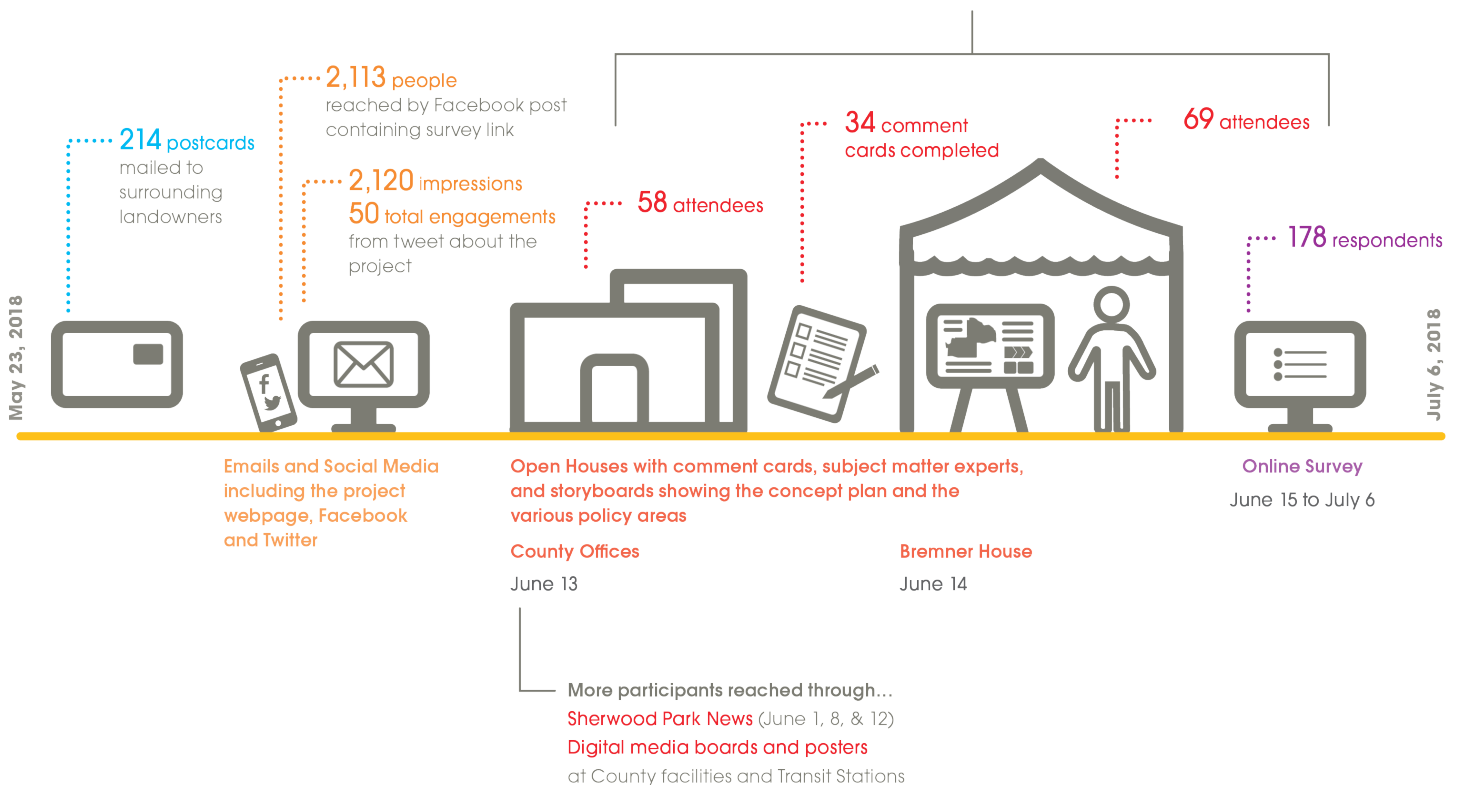

STRATHCONA  
COUNTY

## Phase Two Engagement Complete!

The second phase of public engagement for the Bremner Area Project took place from May 23 to July 6, 2018.

Thank you for providing input on the draft area concept plan. You can find the full public engagement summary on the Bremner Area Project public engagement webpage at the following link: [www.strathcona.ca/council-county/public-engagement/completed-consultations/bremner-area-project-public-engagement/](http://www.strathcona.ca/council-county/public-engagement/completed-consultations/bremner-area-project-public-engagement/)

The comment cards and online survey requested information from residents associated with the policy areas regarding their interest in active transportation, potential activities in the village centres, different housing options, community nodes and the Local Employment Area.

## Next Steps

We will be using your feedback to finalize a draft of the area concept plan and technical studies. A third open house will include draft materials for your review and comment. More details will be shared closer to the date!

## How to Stay Informed:

- You can learn more about the Bremner Area Project and sign up for the Area Project e-newsletter by visiting the project webpage: [www.strathcona.ca/bremner](http://www.strathcona.ca/bremner)
