

CENTRE IN THE PARK

STRATHCONA COUNTY

We Want Your Input!

We are in the final phase of the Centre in the Park Area Redevelopment Plan Update project. An open house will take place at the location, date, and time identified below. The open house will provide information on the draft Area Redevelopment Plan, proposed zoning and future street design concepts for streets within the boundaries of the Area Redevelopment Plan, including a portion of Sherwood Drive and Granada Boulevard. We look forward to seeing you there!

October 24, 2019: 5:30 p.m. - 8:30 p.m.
Location: Community Centre Meeting Room 2
Address: 401 Festival Lane, Sherwood Park

If you cannot attend the open house, you can still provide your input through the online survey, available October 25, 2019.

Next Steps

Feedback received from the open house and online survey will help to finalize the project documents. Comments will be incorporated into a consultation engagement summary and posted online.

The finalized Area Redevelopment Plan and zoning district will be presented to Council for Public Hearing and first reading in early 2020. The Public Hearing will provide an opportunity for members of the public to speak to Council on these proposed documents.

More details will be shared closer to the date!

How to Stay Informed:

- Learn more about the Centre in the Park Area Redevelopment Plan update on the project webpage: www.strathcona.ca/CITPupdate
- Sign up for the Centre in the Park Area Redevelopment Plan update project e-newsletter on the project webpage!
- Attend the third open house on October 24, 2019!

What Could Centre in the Park Look Like?

Expanded Pedestrian Boulevards

Expanded pedestrian boulevards provide a safe and comfortable walking environment and encourage recreational and commercial activity next to urban streets.

Treed Medians and Boulevards

Treed medians and boulevards help beautify streets, contribute to environmental sustainability and create a protected space for pedestrians, patrons, and residents.
