

# Centre in the Park Project

Open House #2: February 13, 2019

## Comments about the Centre in the Park Project:

1. Where do you live?

- |  |  |
|--|--|
| <input type="checkbox"/> Sherwood Park (Centre in the Park)    | <input type="checkbox"/> Rural Strathcona County       |
| <input type="checkbox"/> Sherwood Park (elsewhere)             | <input type="checkbox"/> A Hamlet in Strathcona County |
| <input type="checkbox"/> Country Residential Strathcona County | <input type="checkbox"/> Outside of Strathcona County  |

## Please provide your level of agreement with the following statements:

2. The design and development of Centre in the Park should create a feeling of a downtown core.
- Strongly agree
  - Somewhat agree
  - Neutral
  - Somewhat disagree
  - Strongly disagree
3. Centre in the Park is an appropriate location for higher density residential options such as apartments, condominiums and mixed-use buildings that are four or more storeys in height.
- Strongly agree
  - Somewhat agree
  - Neutral
  - Somewhat disagree
  - Strongly disagree
4. An area requiring decreased heights of buildings should be placed between existing single family homes and future high density development to ensure a transition between the two development types.
- Strongly agree
  - Somewhat agree
  - Neutral
  - Somewhat disagree
  - Strongly disagree
5. Additional street parking would enhance the Centre in the Park experience.
- Strongly agree
  - Somewhat agree
  - Neutral
  - Somewhat disagree
  - Strongly disagree
6. Different types of land uses should be provided throughout Centre in the Park including housing retail, offices, community services and recreation.
- Strongly agree
  - Somewhat agree
  - Neutral
  - Somewhat disagree
  - Strongly disagree

7. Streets within Centre in the Park should provide opportunities for all types of transportation including vehicles, biking, walking and public transportation.
- Strongly agree
  - Somewhat agree
  - Neutral
  - Somewhat disagree
  - Strongly disagree
8. Are additional safety measures needed along or across major streets within Centre in the Park, such as Sherwood Drive or Granada Blvd, to make walking, biking or taking public transit more comfortable and protected?
- Yes
  - No

If you answered no to the above please leave the next question blank.

If you answered yes to the above, which of the safety measures on the following page should be implemented on major streets in Centre in the Park (choose all that are applicable):

□ Removing channelized right turn lanes

□ Reducing Speed

□ Adding pedestrian scrambles with pedestrian only intersection signals

□ Adding pedestrian islands and sheltering locations

□ Adding raised crosswalks

□ Adjusted turning radius

□ Adding bus bulbs

□ Adding mid-block crosswalks with or without pedestrian lights

□ Adding curb extensions at intersections
