HOMEOWNER FEE**

The homeowner fee is charged (in addition to the permit fee) when it is applied for by the homeowner as opposed to a certified professional. Homeowner fee is not charged on plumbing applications with 5 fixtures or less or on holding tanks and surface discharge private sewage systems.	\$125.00
--	----------

ALBERTA SAFETY CODES COUNCIL FEE

Calculated on the base plumbing permit fee (including fees paid for the "homeowner" fee) and applies to all plumbing permit applications. Strathcona County is legislated to collect this fee for submission to the Alberta Safety Codes Council.	4% of the permit fee (minimum \$4.50, maximum of \$560)
---	---

*The Alberta Plumbing and Drainage Regulations define a fixture as a receptacle, appliance, apparatus, or other device that discharges sewage or clear water waste and includes a floor drain and backwater valve.

**To apply for a permit as a homeowner, the project must be for a single-family residence and the owner must reside in the residence where the work is going to be conducted.
