Kinsmen Leisure Centre Modernization

Beginning spring 2019

Construction will begin this spring to modernize the Kinsmen Leisure Centre. This 40 year old building will be receiving some much needed mechanical and structural upgrades. Improvements will also include the addition of a universal changeroom designed to support family, group, and special needs.

The Kinsmen Leisure Centre will remain open during most of construction but the whirlpool, steamroom, and kids pool will be closed. Visit the Strathcona County website for construction updates and details.
