**** SUMMER CAMP FOR NEW SWIMMERS! ****

Session 1: July 29 - Aug. 1 & Aug. 6 - Aug. 9 or Session 2: Aug. 12-23 (omit Wed.)

For ages 8+ Availability based on enrollment.

Visit sherwoodparkswimclub.com for more details.

Sherwood Park Swim Club provides swim training for children in our community at various ages and levels of ability. We are dedicated to teaching proper stroke technique while the swimmers are in their formative years and then concentrating on the necessary endurance so the children can compete at a higher level. We offer a flexible training schedule and monthly training fees.

SHERWOOD PARK SWIM CLUB OFFERS TWO MAIN PROGRAMS AT MILLENNIUM PLACE:

Junior Stingrays is a developmental swim program for kids aged 5 to 8 who are confident in the water, and is primarily delivered in the wave pool lanes. Swimmers can progress at their own pace, from learning the fundamentals to developing more advanced skills.

The Junior Stingray swimmers are registered with Swim Alberta and Swim Canada. This includes insurance, access to club functions and being eligible to participate in one sanctioned competition per season.

Tuesdays and Thursdays

Senior Stingrays is a program for the stronger, more confident swimmer, and is delivered in the 25 meter Lap Pool. These swimmers should be comfortable in deep water and have appropriate skills to progress in this program. Senior Stingray swimmers are aged 8 to 18 and swim at all competitive levels from Beginner to Provincial and National.

Monday- Sundays

The training calendar can be viewed on our website.

Openings for the Junior Stingrays program are very limited!

We recommend that all new swimmers complete a skill assessment.

Assessment dates for 2019/20 will be held in July and August. To request an assessment, contact: registrations@sherwoodparkswimclub.com AND headcoach@sherwoodparkswimclub.com
