

# 2019 Urban Agriculture Year-in-Review

We continued to implement and expand programs under the Urban Agriculture Strategy in 2019.

From new projects, tools and events, to surveys, newsletters and news articles, here's a by-the-numbers look at all the ways we increased access to—and visibility of—urban agriculture in Strathcona County.

## Urban agriculture education

1 

Garden Day party on June 15

5 

Local green thumb expert volunteers

300 

Edible plant giveaways

2 

Vegetable garden workshops with 30 participants

Two jam workshops with 21 participants
