

2019–2020 LOCAL EVENING AND WEEKEND SERVICE

strathcona.ca/transit

Evening and weekend buses travel on fixed routes and schedules. You will notice that the final trips of the evening have no scheduled stops after the departure time from the Bethel Transit Terminal. This is the final trip of the scheduled day and as such, it will not be returning to the Terminal. Passengers will only be dropped off, therefore there is no schedule.

There are five evening and weekend routes that will travel throughout Sherwood Park. Routes are scheduled to arrive and depart the Bethel Transit Terminal at the same time, connecting with our evening and weekend commuter service.

In summer 2020, Transit is planning to pilot Dynamic Transit services. As we get closer to this exciting new service, we will begin to provide you with more information about what this service is, how it will affect your day-to-day service needs, and how you will be able to utilize it.
